

Filing an online Police TRAFFIC Report – how to step by step demonstration

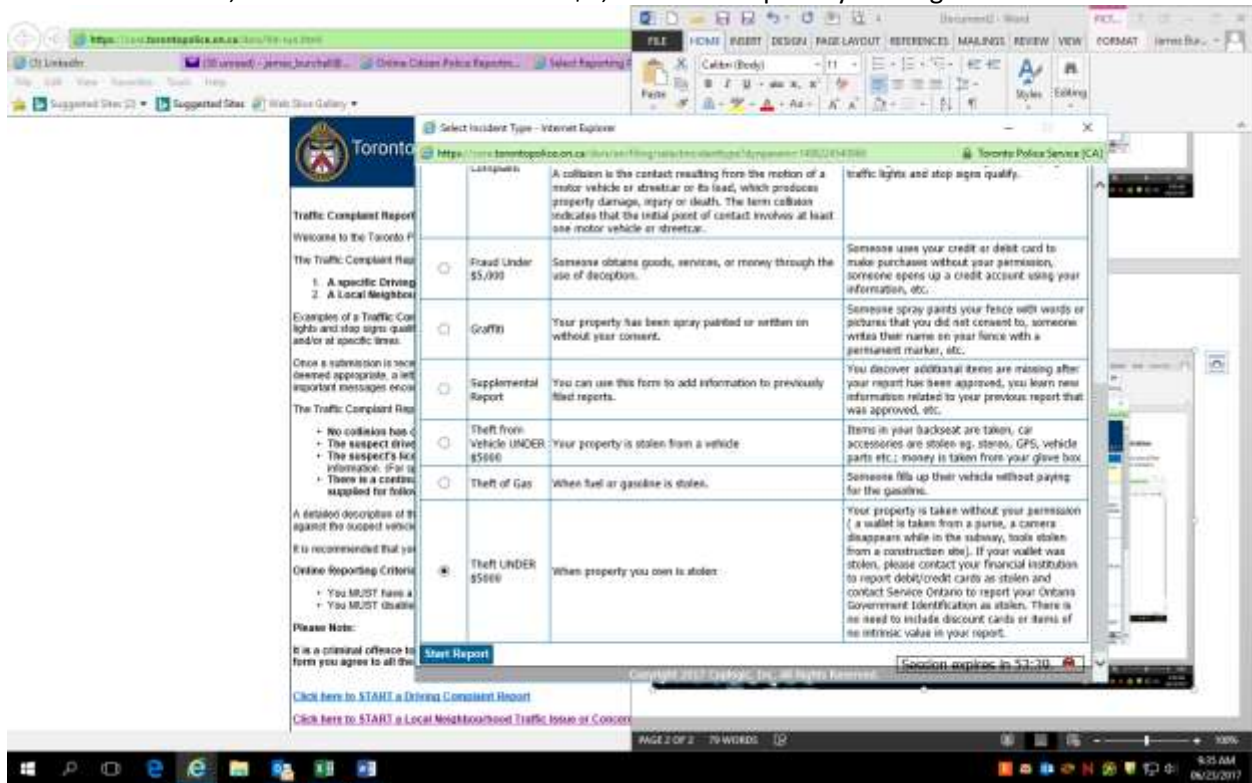

Type this link in your URL. <https://core.torontopolice.on.ca/dors/hit-run.html>, and click on one of the report links noted at the bottom of the page. Let's click on Neighbourhood Traffic Issue or Concern.

You are here: Select the button for the type of incident you are reporting on, click on the blue report button on the bottom, and follow the steps

For our illustration, we will select Theft UNDER \$5,000. Start report by clicking on the **blue** button.

Choose from Original or Supplemental reporting streams, and click continue. Note you will have 60 minutes to complete this report. You can go back to previous screens to edit information.
