*Good neighbors make good fences.*

Break down those fences and take the time to get to know your neighbors. Especially the ones directly beside, behind and in front of you.

If you happen to be away make sure you let your neighbors know so that they can keep an eye on your property.

If you are going to be away be sure to cancel or pause any newspaper deliveries. Post a “No Junk Mail” sign to prevent unwanted mailings.

Install motion sensor lights on the exterior of the front and back of your home. Put lights on the inside on a timer.

**EVERY LITTLE BIT HELPS!**

Be sure to be as descriptive as possible.

There is no such thing as too much information!

Include in your description what made you notice the vehicle and/or person(s).

The actions and behaviors of the person(s).

And remember:

**NO DETAIL  
IS TOO  
SMALL!**

If you have a camera and are able to, take pictures from a safe distance.
